

**North Central Texas Association
of
Soil and Water Conservation Districts**

June 17, 2026

To: All District Directors in the North Central Association of SWCDs

Dear Conservationist:

The annual meeting of the North Central Texas Association of Soil and Water Conservation Districts has been scheduled for **Wednesday, July 29, 2026. Registration will begin at 9:30 am, and the cost of registration will be \$ 25.00.** The meeting will be held at the TCU Ranch Management School in the Dee J Kelly Center at 2820 Stadium Drive in Fort Worth. The meeting will begin with a tour and overview of the program along with a student presentation of their "Ranch Plan".

More than 1600 students have completed the program since 1955 and is known worldwide. The TCU Ranch Management program prepares professionals to manage a broad range of global resources on an ecologically and economically sound basis while conserving and improving resources.

Each district should RSVP to Carolann Corado at carolann8148@gmail.com and Matt Beseda @ mbeseda@tsswcb.texas.gov by July 15, 2026. Dues are \$30.00 and will also be collected at this time. Checks can be made out to the North Central Association for both dues and registration.

After lunch we will have updates and information on the state of conservation in Texas. Please see the attached agenda.

We look forward to seeing everyone on July 29th at the TCU Dee J Kelly Center. Parking is available on the south side of the building. and in the garage NW of the building.

Sincerely,

Thomas Muir
Chairman, NTCA
