Area Association Officers:

We look forward to seeing everyone at the Annual Meeting the end of this month in Round Rock at the Kalahari resort. We have a great lineup of speakers and a very full agenda starting early Monday morning.

In an effort to accommodate as many schedules as possible we are hosting our annual Area Association Officers meeting as a come-and-go coffee on Monday morning at 7:00 am in the Portia room down stairs.

This will allow those who have tour tickets plenty of time to stop by and get a cup of coffee and visit a few minutes and be upstairs for the tour.

The State Soil and Water Conservation Board is also holding their meeting at this time and you should have time to attend both meetings for a few minutes.

With an abbreviated version of this meeting, we are happy to host the coffee and donuts but ask that you kindly RSVP so that we may have an accurate head count. We look forward to seeing you.

Sincerely,

Leroy Wolff
President, ATSWCD
