

Association of Texas Soil and Water Conservation Districts

1497 Country View Land • Temple, Texas 76504 • 254-778-8741

September 22, 2022

Conservation District Directors:

The 2022 Annual State Meeting is less than 40 days away and I hope that you are making plans to attend. I am looking forward to seeing all of you in Galveston.

I believe a great meeting has been planned. I am reaching out to you to make sure you are aware of all that will be happening in Galveston. Prior to the meeting we will email a link to all the districts to download or print (which ever you prefer) all the Association materials for the meeting. This will include the resolutions, business session materials and much more.

Monday evening please join us for our Texas Luau. Once again, we will have our gun raffle as well as the Draw Down game and some fun gift baskets representing each area of the state for auction. If you would like to donate an item for the auction it would be greatly appreciated. I have also heard rumors of a “Best Dressed” contest so be sure to pack your favorite Hawaiian shirt.

On Tuesday at lunch, we have the honor of recognizing all our Conservation Award winners. I always look forward to recognizing these great stewards of the land.

On Tuesday afternoon you will be electing a new Association President, as I have reached the end of my term. It has been a pleasure and a honor to serve as President of the Association and I look forward to working with the new president. We have nine resolutions up for consideration this year.

These are just a few of the key points for the meeting. I hope that you will join me in Galveston in making this the best State Meeting possible.

Sincerely,

Rick Schilling, President
ATSWCD
