SOIL STEWARDSHIP PUBLIC SPEAKING CONTEST

2024

GUIDELINES

To prepare for the Soil Stewardship Public Speaking Contest, students are to consult with their Ag Science teacher, use this Guidelines Packet and reference the SDE Handbook. The student is also to work with their Soil and Water Conservation District (SWCD) as a local resource. A signed SWCD affidavit included on the last page of this packet must be submitted along with the speech for contests.

The Soil Stewardship Public Speaking Contest is a partnership between the Texas FFA Association, the Agriculture Teachers Association of Texas, the Texas State Soil and Water Conservation Board (TSSWCB), and the Association of Texas Soil and Water Conservation Districts (ATSWCD).

Speech Objective:

The 2024 theme is "Rooted in Conservation," the theme celebrates the crucial role of soil and water conservation in the state of Texas. The state of Texas is known for its vast and diverse landscapes, is home to a rich tapestry of ecosystems, agricultural practices, and natural resources. Texas Soil and Water Conservation Districts aim to raise awareness about the importance of preserving and protecting these invaluable assets for current and future generations. We hope that this theme serves as a reminder that every Texan can play a role in preserving the state's natural beauty and resources. By working together with organizations like the TSSWCB, ATSWCD and SWCDs, individuals, communities, and businesses can help ensure a sustainable and prosperous future for Texas while protecting its unique environment.

To locate your local SWCD:

- 1. Visit: https://www.tsswcb.texas.gov/swcds/locatormap
- 2. Click on the region number in which your county is located.
- 3. Find the name of your county and click on it. There you will find the name of your SWCD, and information on how to contact the district, or the Texas State Soil and Water Conservation Board Field Representative who assists the district.
