**To:** Panhandle Association Soil and Water Conservation Districts

While the last two years has had a significant impact on our ability to meet, we are excited that the Panhandle Association meeting is planned for August 16<sup>th</sup> in Miami, hosted by Roberts SWCD and we will all be able to meet in person once again. .

We want to personally encourage every district in the Association to attend the meeting. We understand everyone is busy but it is important that we take this opportunity to come together as an organization to discuss and learn about important issues facing agriculture and conservation.

The meeting will be held on August 16, 2022 in Miami, at the Roberts County Community Center at 103 South Main. Registration begins at 9:00 am. Please RSVP for the meeting by Thursday, August 11<sup>th</sup> at [roberts@swcd.texas.gov](mailto:roberts@swcd.texas.gov) or by calling 806-868-3531.

They have a great program planned, Mrs. Billie Gray will be sharing information on her work in underdeveloped countries around the world.

We hope your SWCD will make plans to attend. We look forward to seeing everyone on August 16<sup>th</sup> in Miami.

Please do not hesitate to contact either one of us if you have questions. Roy can be reached at 806-893-2830 and Scott at 806-753-7047.
