Texas State Soil and Water Conservation Board
1497 Country View Lane • Temple, Texas 76504 • 254-773-2250

August 9, 2022

To: Texas Soil and Water Conservation Districts

Award entries must be postmarked no later than February 1, 2023.

If your district chooses to participate the Conservation Awards Program in any or all categories at any level, the district **must** contribute the \$50 quota to the Awards Program. Please reach out to the Association of Texas Soil and Water Conservation Districts at 254-778-8741 with any financial questions relating to the Awards Program.

Each district with a state winning entry is responsible for costs associated with transporting and housing state winners in order for them to attend the Awards Luncheon at the Annual State Meeting in October 2023 in Fort Worth.

We appreciate the past support and participation that districts have demonstrated for the Conservation Awards Program. In addition, we are proud of the opportunity to continue with this program and encourage you to continue recognizing conservation leaders in your district.

The 2023 Conservation Awards packet can also be found online on the TSSWCB website at: <https://www.tsswcb.texas.gov/programs/public-information-and-education/texas-conservation-awards-program>

Please review the 2023 Conservation Awards packet carefully. If you need additional materials or require assistance, please do not hesitate to contact your field representative or send an email to awards@tsswcb.texas.gov.
