Dear Conservationist:

I am pleased to announce that the next meeting/tour of the Deep East Texas Association of Soil and Water Conservation Districts will be held on **June 6, 2023**.

Plans are to meet at **9:00 a.m. at the P-6 Farms in Montgomery, Texas**. The address to the farm is **9963 Poole's Road, Montgomery, Texas**.

The plan is to start our meeting portion of the day with reports from local, state and federal elected officials. We will then conduct the business of the Deep East Texas Association hearing reports from the TSSWCB, ATSWCD and your TCAWS representatives.

After the meeting has concluded we will tour P-6 farms and learn about their Agritourism, blackberries and cattle business.

While touring the farm we will see their operation from beginning to end. At the end of the tour we will have homemade hamburgers and enjoy a time of fellowship. **Cost will be \$10.00 per person**. Please make your check payable to the **"Montgomery County SWCD"**.

If you plan to attend please contact Joel Clark at (409) 880-1168 or Trey Watson at (936) 652-7063, by June 2, 2023 to guarantee your place on the tour.

Please make your plans to attend and we hope to see you there!

Sincerely,

Terry Johnson,
President
