**To:** Soil & Water Conservation Districts – Area II

We are excited to announce some changes to the 2025 Conservation Awards Banquet for Area II. Please review the information as the location and time have changed. We hope this will allow more people to attend our banquet as we recognize the outstanding conservation work in Area II.

This year the Area II Conservation Awards Banquet will be held Tuesday, May 6, 2025 at the Wall Brethren Church Fellowship Building, 8602 Loop 570, Wall, TX. The banquet will start at noon.

Both the Association of Texas Soil & Water Conservation Districts (ATSWCD) and Texas State Soil & Water Conservation Board (TSSWCB) ask that districts encourage award winners to attend the banquet. It is imperative that winners are present to accept their awards.

It is recommended that each district purchase tickets for their winners and ensure they are present at the banquet. ATSWCD and TSSWCB would also encourage you to invite your State Senator, State Representative, county officials, other leaders and their spouses to the awards banquet. This is an excellent opportunity to further familiarize dignitaries with the high-quality work being done by various soil and water conservation districts in the area.

**Registration for this year's banquet is \$28.00 each and must be ordered no later than, April 23, 2025.** Once your district has determined the number of tickets needed, please complete the enclosed order form and return it to the State Association office along with a check made payable to the Association of Texas Soil and Water Conservation Districts. District checks should be written from the Trust Fund.

Also, enclosed is a sample news release for publicity purposes. Districts are urged to submit award winners to area newspapers. The enclosed news release serves as a tool for doing so.

Please make plans to attend this year's Awards Banquet in Wall on May 6, 2025 to honor the outstanding conservation leaders in our area of the state and to support this exceptional awards program.
