To: All District Directors in the Rolling Plains Association of
Soil and Water Conservation Districts

Dear Conservationist:

The annual meeting of the Rolling Plains Association of Soil and Water Conservation Districts has been scheduled for **Thursday October 6th, 2022**. We will be meeting at **The Lawrence and Helen Berend Family Hall in Windthorst Texas**. The Family Hall is located at **19109 US HWY 281 Windthorst, Texas 76389**.

Registration will begin at **9:00 am**. Coffee and doughnuts will be available. After registration we will load a bus and travel to the Adam Wolf Dairy in Scotland Texas.

Adam owns and operates a modern fully automated carousel style dairy which greatly reduces the amount of labor required to run a dairy of that size. The program will be very informative and educational and will highlight the importance of the Dairy Industry in our region of Texas.

After the tour we will Travel back to the Family Hall and have lunch consisting of two meat Bar B Que and all the trimmings. There will be a **\$20.00 per person registration fee. Please RSVP by September 29th, by calling Charlie Upchurch at 254-216-1473**. After lunch the Following have been invited to attend and present important information concerning area, state, and national conservation activities:

Barry Mahler, Chairman, TSSWCB, Iowa Park
Jule Richmond, Member, Former NACD South Central Region, Blanket
J.C. Mathiews, Member, ATSWCD, Woodson
Laura Broyles, Area V ASC(FO), NRCS, Weatherford
Todd Kercheval and J. Pete Laney, TCAWS, Austin

After our guest speakers give their reports we will follow with our business meeting.

The **Annual Dues Statement for 2022-2023** is enclosed. Please mail your payment to the address shown on the statement or you may pay it at registration. If paying at registration please bring **Separate checks for registration and dues**.

As you can see, we have a very interesting meeting planed. We look forward to seeing you in Windthorst, on **October 6, 2022**.

Sincerely yours,

Luke Halsell

President
