

**SOUTH PLAINS ASSOCIATION
OF
TEXAS SOIL AND WATER CONSERVATION DISTRICTS**

Dawson County SWCD
PO Box 155
Lamesa, TX 79331

January 3, 2023

To: South Plains Association of Soil and Water Conservation Districts

The South Plains Association of Soil and Water Conservation Districts, will meet in Lubbock, Texas on **Wednesday, February 15, 2023**. The meeting will be hosted by Dawson County SWCD #124 and will be held at Pyco, located at 2901 Avenue A. Lubbock.

Registration, coffee and donuts will start at 9:00 am and the meeting will start at 9:30.

We have the honor to hear from Dr. Clint Krehbiel, the new Dean for the Davis College of Agricultural Sciences and Natural Resources. He comes to Tech from the University of Nebraska.

This is a great opportunity to learn more about his vision for the Davis College and also introduce him to conservation districts in Texas. Please make plans to attend. We also encourage you to bring a guest (friend, neighbor or colleague) that might be interested in hearing from Dr. Krehbiel. Districts in Texas have a long history of forging strong partnerships across all areas of agriculture to achieve conservation goals, this is a new opportunity to build on our strong conservation partnership in Texas.

Meeting registration is \$16.50 and lunch will be catered by River Smiths. Please RSVP to Peggy Hughes, Dawson County SWCD at 806-872-6504 or dawsoncounty@swcd.texas.gov by February 8th. Checks should be made payable to Dawson County SWCD.

Remember you must be present to be eligible for the door prize. If you have not had the opportunity to pay your area association dues they are \$25.00.

We look forward to seeing you in Lubbock on February 15th to welcome Dr. Krehbiel.

Sincerely,

Matt Patterson
President, South Plains Association
